

Thanks for taking time to participate in one of *The Show Circuit's* most popular columns, **On & Off the Circuit**, where we get to know junior exhibitors from all across the country a little better. There are two parts: your answers to the questions below; and a couple of pictures of yourself. The pictures do not have to be related to your showing or animals, just share what you want to. The higher the resolution on your pictures the better. Please email your answers and pictures to Sharla Ishmael at sharla@theshowcircuit.com. If you have questions, call me at 817-249-3663. We look forward to seeing you in the magazine!
