Dear Members and Friends,

March 1, 2010

A penny for your thoughts..... You've heard that saying a thousand times, but I bet you'll agree with me, sometimes your thoughts or memories are worth way more than a penny, right? We decided to write all of our current members, parents, and former members to ask a couple of simple questions:

Do you / did you have a good time showing at OCCA shows?
Would you recommend the experience and membership to others?

If you answered yes to either, would you consider sending us a small donation to help with awards at the 2010 year-end banquet?

▪ **The OCCA year-end banquet is completely funded by donations** from supporters and rewards the efforts of our 4-H and FFA members who spend the year dedicated to their steer & heifer projects. This April 17th we will award over 125 different awards including letter jackets, belt buckles and one-year leases on 3 aluminum show trailers.

▪ **By sending a small donation**, you will join numerous breeders, ranchers, and industry-related businesses that share our vision and value the future of our members and organization. Support from folks like you, makes all the awards, shows, scholarships, web site, sale at Tulsa State Fair and everything we do possible.

▪ **You'd be surprised** how helpful a bunch of small donations can be! We'd appreciate any donation you're kind enough to send \$10, \$20, \$30 whatever works for you! If you decide to support this year's banquet, please make your check to OCCA and send your donation to the address at the top of the page.

▪ **When you send a donation**, we'll add your name to the list of **OCCA Friends of the Family** and you'll get a thank you note entitling you to some perks at the Beef Expo reserved just for Friends of the Family!

- Throw your TY Note on the dash and park on a special aisle closer to the barn
- Show your TY Note and check-in through a special line at the show office
- Show your TY Note and get discounts on Show T-shirts
- All Friends of the Family will be entered into a drawing for a \$50 Wal-Mart Gift card and three \$20 iTunes gift cards

Thanks for considering it – and thanks in advance for your support.
