On behalf of the Oklahoma Club Calf Association (OCCA), thanks for your interest in sanctioning a show with us!

This sanctioning packet has been designed to provide you with information you will need to evaluate the sanctioning process and decide if it's right for your show. Please feel free to contact any of our board members should you have additional questions about sanctioning.

We are an organization run by the families of 4-H and FFA cattle exhibitors from all over the state of Oklahoma. Our primary objective is to create a friendly atmosphere where healthy competition is a tool to teach our kids about goal setting, hard work, perseverance, and good sportsmanship.

The directors, who are parents from a variety of backgrounds, run our organization. You'll find their names below. We invite you to learn about our program and call us if you have questions. If you are receiving this packet to renew your show, thanks for helping us provide a circuit of shows that is amongst the best and most challenging in the nation. If you are new to the process, we hope you will decide to add your show to our calendar.

Thanks for your time and interest,

Lyle Blakley

Helpful Information for Show Committees Planning an OCCA Sanctioned Show

Selecting a Date

Our point year begins April 1st and runs through March 31 each year.

There are five shows which form our baseline calendar. They are as follows:

OCCA Junior Beef Expo	April
OJCA Junior Preview Show	June
Tulsa State Fair	October
Wichita Mountains Classic	December
Oklahoma Youth Expo	March

We will mail info packets at various times during the year, in addition to having it on the web site for download at all times. We ask that you speak for or renew your existing date in a timely manner as this process will help everyone plan their calendars and promote their shows with ease. We will update the calendar on the website frequently so everyone can plan their year accordingly.

Please see our rule book about rules governing shows. Requesting a date on our calendar does not automatically place a show on the calendar. We must receive your completed contract for review before a decision to sanction will be made by the board. Once your show is on the calendar, we would like to have information to place on the web site as early as is possible for you. Sanctioning fees are due 90 days prior to your show. At that time show flyers, rules and any other pertinent info needed to promote your show are also due. Please send fees and info to:

Susan Gebhart, Sanctioning Manager
1701 College Park Road
Claremore, OK 74017
918-342-0327 (tel) 918-342-5271 (fax) segebhart@hotmail.com

If we have not received fees & info from you by 70 days prior to show day we will not be able to promote your show.

In the event a show is cancelled due to weather, we will post a cancellation notice on the website and notify as many members as possible by e-mail. We will work with you to reschedule your show if the calendar allows, however we will not refund sanctioning fees as we will have already incurred promotional expenses related to your show.

Please select any open date that works for you and notify us in writing as soon as possible. We schedule the calendar on a first come first served basis. You may consult the web site calendar or give us a call to learn about other shows on the calendar. Postmark, e-mail or fax date/time stamp of your show date request determines time of receipt when multiple requests for the same date are received.

Sanctioned Showmanship Contest

We will sanction and promote a showmanship contest at any show that sanctions steers (prospect and progress) and heifers without charge to the local show committee. We believe showmanship is a level playing field for all exhibitors. Showmanship takes the emphasis off of the animals and puts it on the kids, their hard work, and ability. Because we feel strongly about this opportunity being open to as many kids as possible, we do not charge a sanctioning fee for showmanship. However, we do award a range of prizes at our year-end awards banquet for showmanship; including a trailer, jackets, buckles, etc.

The sheet in your contract packet spells out the rules for a sanctioned contest. In order to sanction you must use our age breaks so points earned from one show to the next are placed in the same division for each exhibitor.

We determine age for each show season by age on April 1st (the opening day of that season).

Exhibitors must show their own calves. Also when a contest is divided into more than one class or heat, the same calf must be used from beginning to end of that particular contest.

We ask you to keep class size to a max of 16 because this gives every kid out there a better chance of coming to the judge's attention.

We ask that you have the judge place the class first to last because we award points out to 7th place on a class of 16. (See the point chart in the rule book)

OCCA Showmanship Age Breaks:

Junior	8-11 years of age
Intermediate	12-14 years of age
Senior	15-18 years of age

Section 3.

GENERAL RULES AND REGULATIONS OF EXHIBITION AND SANCTIONING

3.1. Organizations or individuals planning to sponsor or stage a club calf show and wishing it to be sanctioned by the OCCA, must obtain the prior approval of the OCCA if the results of such events are to be entered into the OCCA's records and points awarded to the exhibitors. Approval does not carry over from year to year, but must be obtained for each individual show or event. The following documents must be signed and returned to the OCCA at least ninety days prior to the approved event: an OCCA show contract; an OCCA sanctioned form; a complete list of individual show rules; and a copy of the show bill. No show will be sanctioned for the period covered by the OCCA publication, after said publication has been mailed to the general membership.

3.2. Show results must be turned into the OCCA within ten days of the show.

3.3. The OCCA reserves the right to set up a booth at all sanctioned shows at no additional charge to the OCCA or it's members. This booth shall be used to sell OCCA merchandise, enroll members, and distribute literature and publications.

3.4. Premium money must be paid to the exhibitors on the day of the show. Exception will be made for the following shows: Oklahoma State Fair; Tulsa State Fair and the Oklahoma Youth Expo.

3.5. When promoting or advertising an OCCA sanctioned show, the show sponsors or officials must publicize, prior to the event, how much of the entry fees will be paid back to the exhibitors. This may be publicizing a percentage, a breakdown of the entry fees, or any other similar means.

3.6. The OCCA requires that shows allow exhibitors between age 8 and 21 years of age; who are or were regularly enrolled in school up until graduation, to exhibit at OCCA

sanctioned shows. Exceptions will be made for the following shows; Oklahoma State Fair, Tulsa State Fair, the Oklahoma Youth Expo, and Breed Association shows.

3.7. The OCCA requires that show managers require all exhibitors to show their own animals in the ring. The only exception being, if the member is injured and unable to physically lead the animal into the ring, but is in attendance at that particular event, or if the exhibitor has two or more animals in the same class.

3.8. The OCCA will not sanction any show which holds a calcutta or any other illegal activity in conjunction with its show.

3.9 A heifer may be shown in OCCA heifer shows if it is not more than 2 years of age on the day of the show. Exceptions: breed association shows, Oklahoma State Fair, Tulsa State Fair, and the Oklahoma Youth Expo.

3.10 With regard to “blow and go” shows, the OCCA encourages show managers to leave the option of fitting or not fitting up to each individual exhibitor. Show rules, including those that prohibit exhibitors from fitting, are among the items reviewed when the OCCA Board considers each sanctioning contract.

3.11 The OCCA will not be responsible for the formulation of or enforcement of any individual show rules. With the exception of requirements mentioned in this rulebook, these are the sole responsibility of the show management.

3.12 BREED CATEGORIES

3.12.A For a show to be approved and points awarded, a steer or heifer show will be required to use the official OCCA breed format, unless prior approval is obtained from the OCCA board of directors. The show may place a required minimum number of head per breed. However, this minimum may not exceed five (5) head. Exceptions will be made for the following shows; Oklahoma State Fair; Tulsa State Fair; and the Oklahoma Youth Expo.

3.12.B The OCCA requires that approved **steer shows** use the following breed categories and format as outlined in this section (3.11.B) AMERICAN BREED, ANGUS, BRAUNVIEH, CHAROLAIS, CHIANINA, CROSSBREEDS, GELBVIEH, HERFORD (POLLED & HORNED COMBINED), LIMOUSIN, MAINE-ANJOU, SALERS, SHORTHORN, SIMMENTAL. Shows not following the required breed format must obtain approval from the OCCA, prior to sanctioning of the show, and must publicize the format to be used and the number of head required to make a breed.

3.12.C. The OCCA requires that approved **heifer shows** use the following breed categories and format as outlined in this section (3.11.C) AMERICAN BREED, ANGUS, RED ANGUS, BRAUNVIEH, CHAROLAIS, CHIANINA, COMMERCIAL, GELBVIEH, HERFORD (POLLED & HORNED COMBINED), LIMOUSIN, MAINE-ANJOU, MAINTAINER, SALERS, SANTA GERTRUDIS, STAR FIVE SANTA GERTRUDIS, SHORTHORN APPENDIX SHORTHORN, SIMMENTAL AND % SIMMENTAL. Shows not following the required breed categories must obtain approval from the OCCA prior to sanctioning of the show, and must publicize the format to be used and the number of head required to make a breed.

3.12.D. Additional breeds may be established by the board of directors in either the steer or heifer division. The establishment of a breed is \$150.00 for heifers and \$150.00 for steers, per year. The cost of establishing the breed must be paid by February 1st of each year for the upcoming year and the notice of the new breed must be publicized on the official website of the OCCA, at least 30 days prior to the start of the new point year, in which the breed is to be added. In addition, the OCCA may delete a breed from either the steer division, the heifer division or both divisions at the discretion of the OCCA Board of Directors.

3.13.E. The OCCA requires that approved showmanship shows use the following division format:

- JUNIOR DIVISION for ages 8-11
- INTERMEDIATE DIVISION for ages 12-14
- SENIOR DIVISION for ages 15-18.

Age divisions will be determined by the age of the exhibitor as of April 1st of the current show year, and this will be their division for the entire show year. Show committees may elect to have additional Showmanship divisions outside the OCCA format, however these divisions will not be eligible to earn points toward OCCA Showmanship Awards.

3.13. SANCTIONING FEES

3.13.A. Sanctioning fees for one day shows are as follows: \$150.00 for a heifer *or* steer show, \$200.00 for a heifer *and* steer show. There is no charge for sanctioning a showmanship show. Steer shows may include both prospect and progress classes, with one sanctioning fee. Showmanship may only be added to a show that has a steer and heifer show.

3.13.B. Sanctioning fees for 2-day shows will be: \$200.00 for heifer *or* steer show, \$300.00 for a heifer *and* steer show, and no charge for showmanship.

3.13.C. Breed association steer or heifer shows may be approved by the OCCA. Points earned at these events will be allowed to count toward the breed division standings, but not towards the all-around standings. Sanctioning fees for a breed show are \$100.00.

SECTION 4. GUIDELINES FOR SHOWS

4.1. The OCCA makes the following recommendations for OCCA shows.

4.2 The OCCA recommends that individuals barred from any other fair or show holding membership with the International Association of Fairs and Expositions not be allowed to exhibit at an OCCA sanctioned show.

4.3. The OCCA recommends that show managers request late entry fees be paid in cash or a cashier's check.

4.4 Official OCCA class sheets and class cards will be provided; OCCA recommends that these forms or electronic documents containing the same information be used at all sanctioned events.

Sanctioning FAQ's

What does OCCA do with the money we pay to sanction our show?

First and most important to you, we maintain our website, print & mail show flyers to our mailing list, and publish info about points and upcoming shows in The Show Circuit magazine. We also print and supply to you, the class cards and class sheets needed to run your show. We have also made arrangements with The Show Circuit magazine to professionally design your show flyer and discount your ad cost if you choose to advertise your show in the magazine. All of these help promote your show.

After that we use remaining funds to help cover the expenses of running the organization: postage, printing, a few office supplies, and hosting the awards banquet and purchasing awards at the end of each point year. We are fortunate to have board members who run the organization using their own time, phone expenses, software, travel etc. We do not pay for expenses beyond items absolutely necessary to manage the organization, communicate with our members and put on the awards banquet for them.

Who is OCCA?

The Oklahoma Club Calf Association is made up of 4-H and FFA members from around Oklahoma and their families. Many of the kids in OCCA show pretty often, lots of others go to a few shows per year. Regardless of how much they show they are friends who see each other at the shows, fairs, camps and contests around the state. Without doubt they are good kids, who work hard on their calves and their showmanship. Many belong to other cattle related organizations around the state too. In fact, you probably know a many of them. There is an OCCA Junior Board made up of the OCCA Junior Members and an OCCA Board of Directors made up of volunteer parents who take care of the day-to-day management of the organization. Between the two boards we work to put together an exciting show calendar followed by a great year-end awards banquet.

Does OCCA have any rules?

Our official rule book is posted on the website. Rules regarding accumulation of points, showing your own calf, not changing calves from one breed to another during the point year etc. are all posted and enforced. We know some folks think Jackpot Shows are an ethical no-man's-land, but stop to consider this. Local show committees, like you, make the rules for each show. If there is something you want to make sure isn't happening at your local jackpot, you're in control. Beyond that OCCA does enforce its' rules and operates on the premise that no one benefits from unethical conduct, not the association, not the shows, and certainly not the individual involved.

How can local kids compete with the OCCA kids who haul a bunch of calves to every show?

According to OCCA rules, any exhibitor can haul as many calves as they want, BUT they will only collect points on their two best performing steers and/or two best performing heifers at each show. In addition, points are earned in class and at the breed level only. That means kids get points on their class placing and bonus points if they are a breed or reserve breed champion BUT there are no points awarded for grand or reserve grand champions. An explanation of points is in our rulebook. You may want to run a county only class or show in addition to your jackpot show. Several shows do this to give the younger or inexperienced kids a place to start out and learn the ropes.

Who keeps track of points? What happens if someone thinks an error has been made?

Nancy Blakley, Oologah, OK, who is a volunteer and the grandmother of one of our members, keeps all of the points tabulated. She also updates the website and the Show Circuit magazine each month and posts points at each show. If there is a question or error call or e-mail Mrs. Blakley and she will re-check the records sent to us from the show in question to make sure points are accurately credited. We depend on results sent to us from each show, so we ask kids to make sure their placing is accurately recorded at the show. The best way to do this is to make sure they hand in their OCCA ring cards as the class is released from the ring. Those ring cards stacked in order of placing, then stapled together in that order are an important record from each show. We ask that show staffs keep their point records for 90 days minimum after each show. We give the kids 30 days after publication of points to correct any errors.

How did the current double point shows get that status?

Shows that consistently have big numbers of entries, 400 head or more, and which are significant events for a wide variety of 4-H and FFA members in Oklahoma may be awarded double point status at the discretion of the OCCA Board. We highlight shows this way for two reasons. First, because these shows have wide appeal to many exhibitors from all over the state. The numbers are large, the competition is tough and the placings at these shows represent a significant achievement. Secondly, because these shows are widely attended, we feel like most kids who don't haul every weekend will probably be at most or all of these shows. This way they have a means to compete and end the year with enough points to be in the hunt for year-end awards without having to be on the road every weekend.

If our show isn't double points will anybody come?

You bet they'll come!! Each year the awards banquet has several examples of state level breed division awards or Top Ten Awards being decided by less than five points. That's close and often the points from one show make all the difference. These kids and their families' work hard, they're very competitive and they know it'll come down to the wire more often than not. So they try hard to get to as many of the shows as possible. There are also the kids in your district who are working toward top five in the district awards. Of course, the folks from your local area will be there because it's local and convenient.

What's in it for us to sanction with OCCA?

We'll promote your show all over the state of Oklahoma by mailing flyers and posting them on the web. We'll get you a discount on advertising in The Show Circuit and help you attract kids from all over the state. We'll also help you announce show results and publicly thank your sponsors on our web site too. In addition, we'll supply you with class cards and class sheets, if needed.

Beyond that the same thing is in it for you that's in it for us. We're all engaged in giving our kids a decent, honorable, productive thing to do with their time. We're all interested in the young people who will become the future leaders of Oklahoma's cattle industry.
