

OCCA Bred & Owned Heifer Division

This is an exciting opportunity for young Oklahoma cattle breeders to exhibit their B&O heifer projects and to be recognized for their hard work and dedication to not only their project, but also their breed and the industry.

We all know that exhibiting a heifer is hard work; however to plan a mating, raise that calf and raise a show heifer from the conception is an amazing accomplishment. One that many of our young Oklahoma breeders are already doing quite successfully. The OCCA Bred & Owned points division offers those kids another outlet to be recognized for their hard work and possibly encourage more exhibitors to further their show string into a breeding program as well.

Below are the rules for the Bred & Owned Heifer Division, if you have any questions please feel free to contact an OCCA Board Member. Included here are the rules, instructions for joining the B&O Division and the necessary nomination forms for a B&O heifer.

5.9 BRED & OWNED AWARDS

5.9. A The OCCA will award a Bred & Owned heifer exhibitor trophy buckle to an OCCA member who accumulates the greatest number of points in one or more breed divisions with their Bred & Owned heifer(s). The members who accumulate the second and third greatest number of points will also receive awards.

5.9. B Members collecting points in the Bred & Owned heifer division will be able to collect points on a maximum of two B&O heifers per show. These two heifers do not have to be the same two heifers used for earning points towards regular breed points and overall heifer awards at any given show.

5.9. C To qualify for the Bred & Owned Awards, it is the member's responsibility to complete the Bred & Owned heifer nomination form & supply a copy of the registration papers or notarized Breeder Verification Form (commercial heifers) to the membership director. Registration papers must be in the sole name of the member.

5.9. D It is the member's responsibility to ensure the official class sheets note their Bred & Owned heifers. Additionally it is the member's responsibility to ensure their B&O points are accurately recorded as stated in section 6.2.H of the OCCA Rule Book.

Oklahoma Club Calf Association
